

CERTIFICATION

This is to certify that

Michele Ferrarese

has successfully completed
MACH1DESIGN course

Practical EMC Training for Design Engineers

Date: 21 AUG 2022

Course tutor:

Min Zhang

Course duration: 10h 15min

Software used: SPICE based simulation tool, such as LTSPICE or Simetrix

Course content: Basics, Passive Components, Designing an EMC Filter, Troubleshooting Tools, Conducted Emissions, Radiated Emissions, Radiated Immunity, Structure Resonances

Certificate number: 126963009d20515d672d5b187
