FEDEVEL EDUCATION

CERTIFICATION

This is to certify that

Bernard Tomašević

has successfully completed
MACH1DESIGN course

Practical EMC Training for Design Engineers

Date: **29 AUG 2022**

Course tutor: *Min Zhang*

MACHone
Expertise Propels Excellence

Course duration: 10h 15min
Software used: SPICE based simulation tool, such as LTSPICE or Simetrix
Course content: Basics, Passive Components, Designing an EMC Filter, Troubleshooting Tools, Conducted Emissions, Radiated Emissions, Radiated Immunity, Structure Resonances

Certificate number: 126963104d60917d470d3b984
