

# CERTIFICATION

This is to certify that

Gokalp Aksoy

has successfully completed  
MACH1DESIGN course

Practical EMC Training for Design Engineers

Date: 19 JUN 2023

Course tutor:

Min Zhang

**Course duration:** 10h 15min

**Software used:** SPICE based simulation tool, such as LTSPICE or Simetrix

**Course content:** Basics, Passive Components, Designing an EMC Filter, Troubleshooting Tools, Conducted Emissions, Radiated Emissions, Radiated Immunity, Structure Resonances

Certificate number: 126983602d20912d070d4b289
