FEDEVEL

CERTIFICATION

This is to certify that

Jesse Ray

has successfully completed the course

Practical EMC Training for Design Engineers

Date **5 AUG 2025**

Course tutor Min Zhang

Min Zhang

Course duration: 10h 15min **Software used:** SPICE based simulation tool, such as LTSPICE or Simetrix **Course content:** Basics, Passive Components, Designing an EMC Filter, Troubleshooting Tools, Conducted Emissions, Radiated Emissions, Radiated Immunity, Structure Resonances

Certificate number: 127953400d70910d777d2b582
