

# CERTIFICATION

This is to certify that

**ERHAN KIZAR**

---

has successfully completed  
FEDEVEL ACADEMY course

**Advanced Hardware Design**

---

Date: **24 APR 2024**

---

Course tutor:

*Robert Feranev*

---

**Course duration:** 10h 50min

**Software used:** Altium Designer

**Course content:** 1) Starting a new project 2) Schematic design 3) Selecting components and creating libraries 4) Footprints, 3D models, starting a new PCB 5) Variants & BOMs 6) Checking libraries and schematic 7) PCB layout & Placement 8) PCB layout & Impedances, stackup 9) Stackup, finishing PCB, length matching 10) Generating output documentation

Certificate number: 1c751a37700c6a4f3750972f5
